COUTURE

Truly Different

Couture is delighted to be the People's History Museum's resident caterer. We bring with us an ethos of food and hospitality to this iconic venue that will make any event an occasion.

Our aim at Couture is to offer exceptional service and great food that will be the talking point of your event, conference or party. We create delicious, freshly prepared, locally sourced, seasonal British food that we believe really is truly different.

Our methods are pretty simple: small seasonal menus championing the often forgotten small producers and food served with a smile. Our chefs work together to ensure consistency of quality and variation, producing fabulous seasonal menus to suit all occasions.

Our expertise is in creating fresh, well-branded food and excellent customer service, as well as sourcing artisan producers. We aspire to be a caterer whose values are borne out by our actions.

We can cater for a wide variety of conferences, meetings and events including evening buffets, canapé receptions and fine dining.

If there is something you would like but don't see here just get in touch and we'll be happy to help!
